Meeting Minutes
June 23, 2022

President Jim Burns called the meeting to order at 6:12 PM. Members present were Mark Taylor, Jim Burns, Mike Kirk, Chris Gray and Kevin Shaw joined us by phone.

Old Business: Jim welcomed everyone to the meeting. The last meeting minutes were approved. Jim said that our trophies showed up today. The trophies looked good, but several of the boxes were mangled. Jim will let them know and request replacement boxes.

Jim said that the Cruise to Lone Point Cellars, Saturday, was awesome. We had 3 people from the North Country Car Club join us. There would have been more, but it was pouring rain in Tonasket. Jim thought we should do another cruise in either the first or second weekend of August. Mike suggested we cruise to the Hot Rod Café in Monitor. We can discuss it more at our next meeting in July.

Jim will attend the car show in Cashmere on Saturday. If anyone is interested, he will be leaving at 8 AM. Please let him know ahead of time.

Jim said the t-shirts are ordered. Jim sent a text to O'Reilly's and told them that we needed 150 goodie bags along with whatever they wish to donate to put into the bags. Jim sent an email to Rock Auto asking them to send us their magnets that will go into the goodie bag. Griot's is going to give us two raffle items.

The engraver messed up engraving Phil Rock's honorary trophy. He put the Waterville Rollers on the plaque. Jim asked him to redo it. Phil's daughter wrote the inscription for the trophy. She will be there at the show with his truck. Jim wants her to give the trophy to whomever wins it.

Jim talked to Justin from Birch Mountain BBQ, He has committed to the date for food at our registration night at Leo's Museum. They still need to work out the price and quantity of servings. We will sell food tickets at the registration desk.

Mike said that we have not had any credit card registrations for the car show. He asked Jim to renew the web site link for registrations on his Facebook page so that it would be more prominent at the top of the page. Mike emailed Josh at County Line and asked if he had any interest in serving food at either the car show, or the registration Friday night. He got no response back, so they are probably not interested. The car club hats are done, but Mike has not received them yet. Mike paid for them using his personal credit card, because he can knock 2% off the bottom line. Mike is waiting for the shipping cost to be determined before he submits the bill. Mark asked where they were ordered, and how many. Mike said he ordered 24 from Consolidated Ink in California.

Chris talked to Four Lakes Winery. They are willing to donate a basket with some wine. Jim asked that if anyone else knows a winery, or business that might donate to us, please go ahead and ask. We will try to get their logos and links to their Facebook pages and add them to our website and Car Cub Facebook page.

Kevin suggested that we have our next meeting at Lone Pine Expresso. Jim said that they close at 5PM. Jim suggested that we hold it at Noon on July 20th. The group agreed, and the next meeting was set for July 20th, Noon, at Lone Pine Fruit and Expresso.

The meeting was adjourned at 6:55 PM.
