Meeting Minutes
Oct 17, 2024

President Jim Burns called the meeting to order at 12:10 PM. Members present were Dick Goodfellow, Doug Hepner, Marc Pearce, Mike Kirk, Kevin Shaw, Lynn Shively, Chris Gray, and Jim Burns.

Kevin Shaw read the meeting minutes from our last meeting. They were approved as read.

Jim Sent in a request to the Chelan PUD to use Riverwalk Park for next year's car show on Sept 6th. Jim also applied for a $3000 grant from Chelan County "Heads to Beds" lodging tax program. He also requested $3000 from the Lake Chelan Chamber of Commerce for funds to help us with next year's car show.

Jim said our show in Sept. went great. He had one complaint about not getting a t-shirt. Next year's flyer will say "register by Aug 1st to receive a t-shirt " in Big, Bold, Letters. Jim will send the artwork in next week for next year's t-shirt. He said parking went great, but we had one corner of the park that was a little empty. He said that we need to spread it out a little more next year. Mike said he agreed and stated that we had a few new car parkers this year. Jim asked if everyone was happy with the food truck? Everyone said yes. Kevin asked if there would be room to park a food truck in the street, the day of the show. Jim said that we need to spread business around to multiple businesses, and thought that the "poker walk" did a good job of that.

**Next years car show will be Sept 5th and 6th. Jim asked everyone to think about where we hold the Friday night registration event. **Also, do we want to use Countryman for the t-shirts. Jim will talk to Miria about the t-shirts. We will talk about it at the next meeting.

We have our annual car club dinner on November 16th, 3PM, at Jim and Joleen's House. Joleen will coordinate the side dishes.

Marc asked if we could get a new club roster of names, phone numbers and cars that they have. We have had several new members join. Jim will give us a spread sheet of the members and their phone numbers.

Marc reviewed the “poker walk”. We had 22 participants. Marc said we could have advertised it a little better. We need to pick a couple of other places of business, that are easy to work with. Culinary Apple did a good job. Lake Life did not put the poster up. Chelan Auto Parts was fine. The “Poker Walk” needs to be put on the flyer, along with the raffle.

Treasurers Report: Lynn gave the treasurer’s report. We currently have about $8000, but we have two $1000 scholarships to pay. Lynn paid Leo for the Port-a-potties.

The meeting was adjourned at 1:35 PM.
